Quick Quotes

Q. Here with Hye-Jin after the final round in Mexico. Even par today. How would you just describe today and this week's play for you?

HYE-JIN CHOI: I mean, I felt this week was really tough week because really hot and my shot wasn't really great.

So I feel really tough, but it just one tournament. So I have next week really big one, so, I feel little -- not really great, but I'll keep trying to next week.

Q. Still a good finish. I think in the top 5 right now. Top 5 finish heading into the U.S. Women's Open. How do you use this week to prepare and what are you looking forward to most about next week?

HYE-JIN CHOI: I mean, not like this week, but I think good for next week pretty sure, because I try this week and then I will again next week, too.

Yeah, it's fine.
