Quick Quotes

Q. Okay, here with Jenny after wrapping up in Mexico. Just talk about this week for you. You had an amazing performance and really stuck with it all week.

JENNY BAE: I'm pretty happy with this week. It just tells me that I have a long ways to go but also I'm also getting there, too.

So I'm happy. I definitely know what I need to work on for the week off for me. Hopefully I'll be able to score better at the next tournament.

Q. What did you learn about yourself this week?

JENNY BAE: I definitely realized that I've gotten more patience. I think that's a really key thing out here, just being able to focus within all the stress and pressure. Again, I think that was really good.

Q. What are you going to away from your game? What were some highlights you saw this week in Mexico?

JENNY BAE: Definitely my short game was a lot better. I was able to rely on the short game and I needed the up and downs, and so I think that was really good.

But I think my game is there. I definitely have a lot of confidence in my game, so I'm excited.

Q. And top 5 finish; first one out here as a rookie. What confidence does that give you as well to see that finish now?

JENNY BAE: I'm really happy right now. Unfortunately I did miss, but that's completely okay. It's golf. I think just getting my first top 5, you know, I can go back home feeling satisfied.

I hope that it can carry ton the next tournament.
