Quick Quotes

Q. All right, here with Hannah Green. Really good round for you today. T2 or in second right now. How happy are you to finish before the rain came?

HANNAH GREEN: Very, very happy. I actually didn't realize how close it was getting until I walked back after looking at the green on my -- for my third shot on the last.

I was like oh, my gosh, I really don't want to be stuck on the putting green with who knows how long of a delay.

So it was nice for that putt to fall in, and obviously in good position for the tournament.

Q. What was the key out there today?

HANNAH GREEN: I didn't really hit that many greens. I think I hit 14. I putted really well. I holed one from off the green, but the short putts to save par, those are crucial today.

Then I made a nice 20-footer on the last for birdie, so it was just nice to feel confident after on Sunday last week not feeling very confident with the putter.

Q. What do you have to do on this course to be successful out here?

HANNAH GREEN: Yeah, there is a lot of opportunities to make birdie, but there is chances to make bogey. I think leaving it in the correct spot around the green, because the rough is quite tricky. So that's probably the most important thing.

A lot people are going to make a lot of the birdies. It's just limiting the mistakes so it was nice to be bogey-free today.
