Quick Quotes

Q. All right, here with Amy Yang after her first round at the Maybank Championship. Just talk about how you played out there today. What stuck out in your game?

AMY YANG: You know, technical-wise my putting worked really well out there. Was hitting it pretty solid out there. Gave myself lots of good chances.

Yeah, but I think I was doing better to stay focused what I need to did each shot. That was very -- the biggest part of my day.

Q. Anything about this golf course that you really enjoyed out there today?

AMY YANG: Just it's a great golf course. You know, I love the condition of this golf course. Just, you know, a lot of good fans and a little bit warmer weather than the cold.

Yeah, just every part of it I enjoy.

Q. Does it something about you with this region? You have couple very good finishes. Are you very comfortable with playing under this hot condition?

AMY YANG: Oh, yeah, yeah, I personally prefer this warmer weather over cold one, because cold one makes my stiff during the round.

But also I mean, we used to play east course and I love that course, yeah. But this course is also great and I am really looking forward to play three more rounds.

Q. What's the game plan for tomorrow?

AMY YANG: You know still it's -- 54 holes is a lot of golf left, so just do my best and just enjoy.
