Mirabel Ting

Quick Quotes

Q. All right, here with Mirabel Ting solid round to start your first pro start. Just talk about how it went out here.

MIRABEL TING: It was pretty great today. Got a little bit nervous like on the tee shot. Didn't know what to expect. But overall I think today's a really good day. Shooting 5-under on this challenging golf course is something that I would never thought I would be able to do it in front of a big crowd.

Q. How proud are you of your performance today.

MIRABEL TING: I'm really happy. There were a lot of shots left out there definitely and hopefully we will be able to recover well tomorrow again.

Q. So I would probably start with you had a really good first nine coming in with four birdies. After that there was a bogey and then two more birdies. Maybe talk about how you felt during the first nine and then coming back after that bogey.

MIRABEL TING: Yeah, I was actually pretty comfortable on the front nine. I wasn't really comfortable on the back nine actually, and that's why I had to do two times of practice from the back nine.

Was really, really comfortable starting on 1 and I was just keep telling myself, stay patient. Putts did not really drop after 10 and I was a little impatient I would say.

At the end of the day I think I got through it and I think I birdied 14 and 18 to finish.

Q. Maybe say what part of your game was really good, shined out there today.

MIRABEL TING: I would say my putting was better than I was expecting it to be. My iron shots definitely was giving myself a chance out there today.

Q. And on 18 you had such a crowd cheering for you.

Talk about that.

MIRABEL TING: I was nervous. Actually I knew there was a lot people, but it was almost the exact amount of people (indiscernible) when I come back on 18.

But nervous, yeah, I was really happy, and to be able to be on this big stage.
