Quick Quotes

Q. Here with Narin after the second round the Maybank Championship. Another good round today; near the top of the leaderboard. Talk about how you felt out there.

NARIN AN: Yesterday and today was good, like finish with the putter. That's why I made birdies today.

Q. Was there anything to your putting? You think your putting really stood out today?

NARIN AN: Yeah.

Q. Did you see any differences on the course today?

NARIN AN: Was nothing different. If I one thing, today is like my back a little like so sore, like hurting, so that's why I tried to moving like smoothly.

But it doesn't work, so I tried to like just to the target then makes it go to there. So, yeah.

Q. Did that make you have patience today, your back feeling like that?

NARIN AN: Yeah, I think so. I think it's my focus more on the more painful, so that's why I don't think a lot during playing.

Q. That helps. Anything you're looking forward to on the weekend?

NARIN AN: Hopefully get better my back, and, yeah, and then good putter two more days, that will be really good.
