Quick Quotes

Q. All right, joined by Pajaree after her first round here at the Maybank Championship. Just take us through the round today. What worked well for you?

PAJAREE ANANNARUKARN: I think I hit good tee shots obviously off the tee, gave myself a lot of opportunities, and good approach shots. Made some are good putts, too, so it was nice.

Q. Been asking a lot of the Thai players, do you think you hold a little bit of an advantage with the weather being so similar to Thailand's climate?

PAJAREE ANANNARUKARN: Yeah, I would say we're more used to the heat and the tropical here, so I think that's probably advantage. And I think I -- yeah, I think it's a little advantage.

Q. How do you maybe kind of conserve energy or what are you doing on the course to not let the heat get to you?

PAJAREE ANANNARUKARN: Try to stay in the shade. Umbrella, essential. And try to stay hydrated out there. Drink a lot of water. Yeah, just try to stay patient.

Q. What will you take from this round going into the rest of the week?

PAJAREE ANANNARUKARN: Hopefully keep this momentum going. Off the tee been very nice to me, so it would be nice to keep hitting good fairway shot and myself a lot of good birdie opportunities.
