Quick Quotes

Q. Here with Genevieve Ling. Even par today?

GENEVIEVE LING: Yes.

Q. Birdie on the last. Talk us through your round.

GENEVIEVE LING: Thank you, very up and down. Started with a bogey and made a couple birdies, but I wasn't hitting the ball very well today so I scrambled pretty good and I was happy with my putting out there.

Q. How are the condition different from yesterday?

GENEVIEVE LING: Condition's pretty much the same. I think the greens are running a little bit quicker maybe, but overall pretty much the same.

Q. So any reason for the dropped shots?

GENEVIEVE LING: Just hit a few bad shots. Put myself in a bad position. Hit the water on 16, so happy to make bogey there. I think I scrambled well and tried to keep myself in the game.

Q. On the last hole you made a birdie. That sort of the helped you?

GENEVIEVE LING: Yeah. Yeah, for sure. I've been putting well the whole day so I really wanted that birdie just to get back to even, but it was a nice birdie on 18.

Q. For tomorrow, what's the process?

GENEVIEVE LING: I think I definitely have to go to the range for a little bit just to get like a good feel, and then I'm pretty much going to be set.
