Quick Quotes

Q. Here with Genevieve Ling after round three. Just give us a quick rundown of how things went.

GENEVIEVE LING: I was not happy with my ball striking today and the pins were put in tough positions. I think I hit the water twice and just made some mental errors.

But, yeah, I just need to figure myself out and I will be fine. I think I will go in with a little bit different mindset tomorrow, a little bit more aggressive.

Q. So you were saying you didn't have your ball striking, but your putting...

GENEVIEVE LING: Yeah. Putting was okay. I wouldn't say it was great. It still definitely was more of a short game grind out there.

Q. So you're happy with your game?

GENEVIEVE LING: No. Yeah, I mean, my ball striking is just not where I wanted it to be. When your ball striking is not good to the tough pins today, it's really tough to get to them.

So I did grind it out for a couple birdies out there, but, yeah, it was a tough day.

Q. Are you going to go the range now?

GENEVIEVE LING: Definitely. I think I'll go eat something first because energy levels need to get back up, and then I'll go get some practice done.

Q. Will you change anything tomorrow?

GENEVIEVE LING: Well, I think it depends a lot on the setup. They're kind of changing it up day by day. If there is a chance to be aggressive, for sure I will do it.

Q. Are you enjoying the experience so far?

GENEVIEVE LING: 100%. I mean, the fans are amazing,

so, yeah.

Q. What have you learned so far playing at KLGCC?

GENEVIEVE LING: I think I actually play really well under pressure, like with a lot of people watching, which this is the most amount of people that I've ever played in front of.

So that's great to know. I think it's just reignited my passion to want to be out here.
