Quick Quotes

Q. All right, here with Jeeno after her third round here at the Maybank Championship. Really solid 7-under from you today. What went into it?

JEENO THITIKUL: I think I mean, like this course kind of, you know, makable course and then I think I did putt well and better than yesterday. That's why I made birdies more than yesterdays.

Q. I know you said you made more birdies. Was there any sort of strategy change or anything compared to the last couple days?

JEENO THITIKUL: I'm just trying to commit to my putt, and then I was just trying to be confident with my putt more. I think everything it's went well except the putting wasn't that on the track that I wanted to.

Today it's more falling and then, you know, I just more confident with the putter today.

Q. Going into Sunday, obviously Hye-Jin has quite a bit of a lead. What's the mindset knowing you have a huge number to kind of chase?

JEENO THITIKUL: Yes. Than you have to make birdies. I know it's far away what she have been set it up now, but like golf, everything can happen. 18 more holes, 18 more opportunities that we have ahead. You know, just need to bring your best.

Q. What do you think it will take to beat her?

JEENO THITIKUL: A lot. A lot. She still have more chance to make birdies still. I don't know what hole she is now, but like five stroke ahead of me, so you need more than five.

Q. Over the past few days is the confidence at a high heading into the final day tomorrow? Are you feeling really good, like max confidence?

JEENO THITIKUL: I'm not going to say that I have like

max confidence because I don't think max confident in athlete will leave you in a good way. Definitely how well you play you going to make a mistake, so the highly confidence that I have when I miss, how upset I going to be.

So I trying to be like 70, 80% confidence each day. It's all I can do.

Q. Jeeno, do you have a mental coach?

JEENO THITIKUL: I don't have a mental, exactly the mental coach, no.

Q. How are you loving the drastic change in weather over the course of three days in competition?

JEENO THITIKUL: Well, like the weather is so nice today. And then I thought I'm going to run like in the final holes that I came here because they say ten minute left.

So I trying to finish it. But overall, you know, like I just used to the weather-wise, so not a big change from last two days.

Q. Yesterday was like scorching and today you get this kind of weather.

JEENO THITIKUL: Yeah, it's kind of lucky today. I think today is really nice weather that we had all week. Hopefully no rain tomorrow.

Q. Heading into the final stretch of the seen you're currently lead the Aon Risk Reward Challenge. How much are you thinking about that as you approach some of the Aon holes?

JEENO THITIKUL: I think Aon hole here is so hard to be honest, 16 hole. I did put one in the water on the first day. So just be able to make a birdie today was just, you know, kind of full feel feelings-wise.

I think as I always say, you need to earn it by yourself. I need to earn it by myself. I don't hope for others to doing bad things but I hope for myself to do better.

So let's see tomorrow because 16 wasn't that easy, and then still had a couple tournaments ahead of us as well.
