Quick Quotes

Q. All right, here with Yan after her third round here at the Maybank Championship. Very solid 7-under bogey-free round from you today. What went into today?

YAN LIU: Well, I just feel very good in my game, from the driver to the putting. Everything feels great.

I think today at the course I just really relax. Golf cannot be perfect, so I made some mistake. I play a lot like -- I didn't make many on the fairway, yeah, so golf cannot be perfect.

So I just stay patient, yeah.

Q. How hard is it to go bogey-free on this course?

YAN LIU: Well, I think you have chance. Every course you have chance to bogey-free. Well, this course could be hard because the weather is very hot, so sometime you lost your focus.

Yeah, today I just tried to tell myself just keep focus on my game.

Q. You just mentioned it. It's really hot out. It's been hot all week. How are you able to combat some of that heat?

YAN LIU: I think I played International Crown last week. Was cold and this week is hot. I pretty enjoy this hot weather, yes.

Q. You prefer the hot to the cold?

YAN LIU: Prefer hot.

Q. Yeah. You prefer hot over cold?

YAN LIU: Yeah.

Q. Any reason why?

YAN LIU: I think I'm from south of China, and so in my country, in my hometown, it's very hot.

Q. What about this course brings out some of the best of your game?

YAN LIU: Well, I think the course condition is very good. The fairway and even the bunker is very good.

So I think just try to make more birdie on this course.

Q. What's the plan for tomorrow for you?

YAN LIU: Tomorrow, I think just play like today and more just patient and more focused on my game. Because this is hot weather, so, yeah, just keeping telling myself this.
