Q. Hye-Jin, it was phenomenal game today. What was the best part of your game today?

HYE-JIN CHOI: I thought I was really good shot and good putting. But I make the really long putt No. 12 I think, so that one is my best shot today. And then also I had a lot of good shot and putting I think.

Q. Of course you made a lot of great putts today. How does it feel to be leading the tournament?

HYE-JIN CHOI: Honestly I feel a little nervous because I never won on LPGA Tour, but I'm more -- I want to do more focus on my game, so that's it I think, yeah.

Q. I think that's such a great idea. I'm rooting for and you looking forward to see you lifting a trophy tomorrow.

HYE-JIN CHOI: Thank you.
