### Quick Quotes

**Q. What sort of things have you been doing in Paris?  
When did you arrive and have you done anything in  
the city?**

JOAQUÍN NIEMANN: Not much. This is my fourth week in a row and I was able to have a nice chill day at home, at the house yesterday. Haven't seen much. I was here two years ago, so I was able to go to the touristy stuff.

**Q. What was your favourite thing to do two years ago  
when you were here?**

JOAQUÍN NIEMANN: Favourite stuff, I don't like much walking in the city and all the stuff. My wife likes it more. It was good to see all the buildings. Of course I went to Versailles and Eiffel Tower.

**Q. Finally, if you were to medal this week and you  
went back to Chile, what would be the first thing would  
you do back in Chile?**

JOAQUÍN NIEMANN: Oh, I don't know. I mean, I think I'm going to go back to the U.S. first and prepare for my next tournament. But yeah it would be a huge win, get back to Chile and celebrate with the Chilean athletes, and the whole country would be super special.

**Q. How do you assess your chances this week?**

JOAQUÍN NIEMANN: We don't know, four days to go, great players, and have great week and see on Sunday if we have a chance.
