## Jon Rahm

Quick Quotes (2)

### Q. (On his round today)

JON RAHM: Yes, it has been a great day. I didn't need anything spectacular like the two shots I holed out yesterday. It has been a very tidy day, in which I played very well, and the only mistake was the three putts on the 8th and the tee shot on the 18th, but it is such a complicated hole that anyone can have a bad swing. I am very happy with how I played and these are the rounds that are very enjoyable and let's see if I can continue like this for the rest of the week.

### Q. (On Xander Schauffele's play)

JON RAHM: What Xander has done this year weighs much more than the medal from three years ago and I didn't tell him about it because I don't want to remind him of all the good things he has achieved (laughs). The subject hasn't come up as everyone is worried about their own thing.

### Q. (On heading into the third round)

JON RAHM: I have put myself in a very good position and let's see if I can continue playing well from tee to green, which is key on this course, with the order and discipline that I have had and that has given me good results."

### Q. (On the putt on 18)

JON RAHM: The putt on 18 was a relief, because I had hit all the fairways and greens and since it is not the easiest hole, I played to the safest side and with the second shot I simply went for it and it ended up in the bunker. You don't want to end up with a bogey but it was a celebration of relief and knowing that I played very good putts from 13 onwards, many with good lines and I made several and seeing that on 18 the putt went well down the center gave me a lot of relief.
