Quick Quotes

Q. Your all perspective of how is this went off and just in regards to your performance, I know it's not what you wanted?

MATTHIEU PAVON: I think it's great. It was crazy for a week. I wasn't expecting that much love. A lot of love for sure, but that big from people playing golf, people not playing golf; I think there are a bunch of people here which are discovering a little bit the discipline. So it is a crazy feeling, all those people cheering for athletes. I think it's great and I hope it will be the same in the next few French Opens we are going to play here.

Q. What do you think of the overall experience, being from here and the way Paris has put on the Olympics, not just the event, but all around the city?

MATTHIEU PAVON: I think it's great. It's a beautiful city. It's a very, very nice scene to host such a huge event like the Olympics. I went to see a couple of different sports, and it was like were a lot of people cheering. The streets are closed so you can walk on the streets and enjoy Paris. So that combo makes it very special.
