Brooklyn, New York, USA

## James Nnaji

**Q. Talk about what you'll bring to your new team and your style of play.**

JAMES NNAJI: I'll bring so much energy on the floor and give them the defense that we need and go for the rebounds. Give them the whole energy I have. Put in everything I have and give it to them.

**Q. Just your thoughts about how much of a life-changing moment this is for you and how special it is.**

JAMES NNAJI: For me, it's a very special moment. For me coming from Africa, never having this dream to play in the NBA, and all of a sudden things started to change, started coming my way. It's one of the most exciting moments of my life. I'm really excited to have this opportunity.
