

NBA Draft

Wednesday, June 25, 2025

Brooklyn, New York, USA

Joan Beringer

Q. This is the 10th straight year that someone from France has been drafted in the first round, and again, in recent drafts multiple players. What does it mean to you to be part of that group this year and be part of the tradition moving forward?

JOAN BERINGER: First, I'm really happy because I was on the national team with Nolan and Noa the last summer and just to be here with them, it's amazing. It's an amazing feeling also to represent France. Yeah, just to be in the NBA Draft, to be in the big league, it's really an amazing, amazing feeling.
