Aaron Nesmith

Game 5: Postgame

Oklahoma City Thunder 120, Indiana Pacers 109

Q. How confident do you feel about heading back home to Indy for Game 6 in your house?

AARON NESMITH: We're going to get the crowd back for Game 6. They'll be rocking. It's the last game in Gainbridge. We're going to have to go out and win the last game at Gainbridge.

Q. What did they do to take advantage of those turnovers and turn them into points?

AARON NESMITH: They're good at playing with a lot of pressure at home. That's something we're going to have to do a lot better at and weather that storm.

Q. SGA creates a lot of gravity when he gets downhill, which can lead to a lot of open threes that way. What led to some of those clean ones for them?

AARON NESMITH: Just defensive mishaps. Miscommunications. Not being in our coverage properly.

Q. What can you do better against Jalen Williams?

AARON NESMITH: Be in our coverage properly.

Q. What was the rallying cry when you guys walked in? What did you say to each other?

AARON NESMITH: We all had our words. We understand the moment. We understand the position we put ourselves in. We understand that we have to dig ourselves out of it.
