

QUARTERBACK JOSH ALLEN

POSTGAME VIDEO CONFERENCE

October 22, 2023

Buffalo Bills 25 - New England Patriots 29

Q. Josh, another slow start to the offense. Can you pinpoint anything today?

J.A.: Execution. I mean I started off play one, John makes a good play, falls off on the bow route. I need to see him there. Not a good way to start a game.

Q. When you say execution, Josh, you get to a point as an offense when you do execute. But it is kind of a pattern now within games where it's slow. Is it a recognition of what defenses are doing? I don't want to put words in your mouth. What is it that's preventing you from getting to where you need to be earlier in the game?

J.A.: Well, I wish I knew the exact answer because we'd have it fixed by now. We're going to watch the film and find a way to get there, whatever it is. Our season is not over. It's a long season. Feels pretty bleak right now, but we're going to figure it out.

Q. Are you all right? Your shoulder okay?

J.A.: Yeah.

Q. Did it affect you at all today? You looked a little off, I thought, at times. But pain management, any of that a factor at all?

J.A.: No. We're good to go.

Q. You were pretty vocal this week about the offense and play calling and everything. You are fully confident in the plan that you guys take when you go in on a day like today?

J.A.: Yeah. Absolutely.
