Q. Overall good play, no?

ROBERT MacINTYRE: Yeah, it was solid until the last two holes. Took them 25 minutes to get a ruling, and I've come out from the ruling and it's pitch black. It's just really annoyed me. To finish the way I finished is really not good when I'm right in the golf tournament. Now I'm kind of behind the 8-ball trying to fight back.

Q. Describe a little bit what happened and what was the ruling and the drop?

ROBERT MacINTYRE: I was just trying to find out where my nearest point of relief if I dropped it and it was casual water and I just needed to know where my nearest point of relief was, and the guy didn't know so we had to get a second guy. It just took longer than it needed to, and I just lost all momentum. Hadn't swung a golf club in 25 minutes. Probably two bad swings, the worst shot I've hit all week on the par-3 eighth. I suppose we just get on with it.

Q. You've played well in a major again, which is great. You have two days.

ROBERT MacINTYRE: Yeah, I've got two days. I'm not turning up here trying to just take part and be a number. I'm trying to win the major. If I'm in it, I'm trying to win it. I was in a great position. I'm still in a decent position. But I've just given two shots to the field. I was in a good spot there, and yeah, just sore to finish the way I finished.
