Jeffrey Schmid

Quick Quotes

Q. Nice finish there with a birdie, top of the PGA club pro list at the moment. How did your round go out there?

JEFFREY SCHMID: I played good today. I don't know if it was playing tougher. It got a little gusty for a while, so it was tough picking clubs. You'd pick out something and it would blow. But yeah, I don't know. I played well yesterday and I played okay today. Just the margin for error is really small out here. You just pull a shot or something, and it's really difficult.

Q. You're a member of the Corebridge team, PGA member. What does it mean to be out here with these guys and representing the PGA?

JEFFREY SCHMID: Well, it's awesome to represent the PGA, represent the state of Iowa, we've got some really good players, and then just the privilege of playing a tournament like this is great for me.

Q. You're not the only one from your club here, right?

JEFFREY SCHMID: No, yeah, Sean McCarty.

Q. What's it been like sharing that experience?

JEFFREY SCHMID: Yeah, it's cool. It's really good. I think it's really fun for the state of Iowa because it's such a small section. We have such a good amount of players. It's really cool. So we've had players play in this thing the last -- I've played in five, Chad Proehl has played in four, so we've had our state represented, and yeah, it's really cool from the same club, a little public golf course.
