Angel Cabrera

Quick Quotes

^

THE MODERATOR: Angel, another good day for you. How would you describe your third round?

ANGEL CABRERA: It's been a great day. I started, my strokes were not great at the beginning, and then that kept improving, and I think the key today was on the greens. I putted really well.

Q. How tough were the conditions with the wind whipping up today?

ANGEL CABRERA: It was playing hard. The wind complicated things, especially the shots into the green.

Q. We were looking at the leaderboard, and this is some of the best players of the last 30 years. Is it because it's a major? Is it because it's the golf course, Congressional, do you think?

ANGEL CABRERA: Yeah, the people up there are the people that have a lot of experience. Most of them have been in many majors, and you can see that.
