### Quick Quotes

#### **Q. Start with just assessing your round today.**

SERGIO GARCIA: Yeah, great round. I'm not going to lie; conditions weren't easy. Obviously because of the rain, the course wasn't too firm, even though it firmed up nicely between yesterday and today.

But yeah, it was quite breezy. It was gusty, so it wasn't easy to pull some of the clubs. There were some tough holes out there, but I was able to hit really good shots on those holes, and a couple up-and-downs when I needed them, so very happy with the way it went.

#### **Q. 20 years ago you won here, and I'm wondering, it's a special anniversary, 10 years, 20 years. Was that in your mind at all entering the week?**

SERGIO GARCIA: Well, I mean, I obviously knew that I won here in 2001 because it was my first PGA TOUR win. But no, I didn't think that it was my 20-year anniversary. I didn't even think about that, now that you mention it. But it's nice. It's nice to go through those milestones, I guess, and it just shows me how long I've been out here and how fortunate I've been to be consistent throughout my career, touch wood, but obviously quite healthy. All those things I'm very proud to be a part of. I'm just excited to keep it going.

#### **Q. How do you think you've evolved over those 20 years?**

SERGIO GARCIA: Yeah, obviously I'm not 21 anymore. I'm 41. But I'm excited. I'm excited about what's happening in my game. I'm excited about where I am. I'm excited about who I'm with, sponsors-wise and equipment-wise. I'm excited about having a family and a couple of kids and different worries that you have from where you were at 21. But they're all amazing, and we're enjoying them and learning as much as we can as we go.
