### Quick Quotes

**Q. Birdie on the last there to shoot 66. How would you characterize the day?**

WEBB SIMPSON: Great day. You know, two hiccups there on the par-3s on the front. Just bad speed on 4, caught the high lip, went five feet by. Not my best decision on 8 to hit the shot I hit.

Other than those two holes, it was really solid. Had a few good up-and-downs, but this is the type of Colonial that I love where the rough is up and the wind is blowing. Even my shot on the last hole, I hit a good shot, but it's a really tricky shot. If you hit it too hard, you're probably making bogey and it's real easy to spin it back front of the green.

I love when Colonial gets blowing a little bit like this.

**Q. Rickie was in here and he talked about it being a little bit tricky today. Is that the way you'd characterize it?**

WEBB SIMPSON: I think so. From my memory, I don't remember a west wind that often. It's a little different wind than I'm used to playing here. Normally I feel like it's a south or southeast wind. So it was tricky. We had probably six holes of pretty good, calm conditions, and then it picked up for the rest of the day.

**Q. How important was it to follow bogeys with birdies both times?**

WEBB SIMPSON: Yeah, it's always nice. You're frustrated after a bogey. You never want to make bogeys. But I think it showed that I was in a good frame of mind to recenter myself on the next hole, and it's a brand new hole.

**Q. How different were the weather conditions -- it was pretty calm this morning?**

WEBB SIMPSON: It was calm and cool and then it picked up around kind of the turn, and then the front nine blew pretty good. Looks like it's going to blow a lot this afternoon and then tomorrow back calm again.

**Q. Got to feel good with a 66, huh?**

WEBB SIMPSON: Yeah, great start. Nobody is going to run away with it today, so I'm in good shape.
