Quick Quotes

Q. Chris, how would you characterize the round today?

CHRIS KIRK: Overall pretty solid. I didn't drive it quite as well as I did yesterday, missed a few fairways, but was able to hit some really great recovery shots, and when I was in position off the tee, I hit some really good iron shots, as well.

Didn't quite hole as many putts as I did yesterday, but felt like I was hitting really good putts, hitting my lines, so that's all I can ask for. Hope to see a few more go in over the weekend.

Q. You've had a lot of experience around this golf course. As the conditions are supposed to look a little bit tougher, southwest wind, obviously getting hot, do you feel comfortable knowing how to get yourself around this place in tougher conditions?

CHRIS KIRK: Yeah, for sure. It was kind of awkward playing with no wind out here today. I'm not sure I've ever seen the golf course like that.

Yeah, it's just part of playing out here. You're used to that strong south wind. Even yesterday was gusty kind of off and on, but blowing out of a different direction than we typically see. So I think this weekend will be back a little bit more what we're used to seeing here at Colonial.
