### Quick Quotes

**Q. Everyone is struggling in the wind. How did the week go?**

CAM DAVIS: It was a good, positive week for me, good trend in the right direction for my game. I felt like I hit it really well for the most part. Yesterday was a really good grind for me with the short game. I think each part of my game showed good signs this week. It's just tough when the wind is really gusty and you hit the shot you want to and it ends up a long way away from where you thought it was going to go. But very positive. Yeah, just nice to be in contention again. Hopefully next time do a little better.

**Q. Two top-10 finishes in your last three starts, seems like you're trending in the right direction. Do you feel like you're close to breaking through and grabbing your second wind?**

CAM DAVIS: Yeah, I'm going to tell myself that for sure. The more chances I get being near the lead, I guess one day it's going to come back around and get in the other side of the trophy again. But everything is in a pretty good place. There's a lot of golf coming up right now, and I just want to make sure I keep on doing the things that I've been doing to get myself to where I am now.
