Quick Quotes

Q. Brandon, how aware were you of what was going on on the back nine? At one point five guys were tied for the lead.

BRENDON TODD: Yeah, there were leaderboards everywhere, so pretty much always knew where I stood and who was in what spot. Yeah, which was good and bad, because Scottie wasn't playing his best to run away with it, and nobody -- Sam and Davis came back just slightly. I always felt like I was in it and had a chance to win.

Q. How difficult were those conditions out there today, especially on the back nine?

BRENDON TODD: Yeah, they were really tough. I think both days on the weekend the back nine played exceptionally hard. High winds, the back nine has a lot of holes where you're kind of in between trees. Can't always feel it but then the ball gets above the trees and it's blowing around a little bit. The greens definitely kind of wilt up a little bit and get some spike marks late in the day. You're kind of battling that a little bit.

Q. Overall how would you assess the week? How happy are you with where your game is?

BRENDON TODD: Yeah, it was a great week. Like I said, this is my favorite course on TOUR. It's a place I feel like I can contend, and I've done that again. I lost by two in '14 and one today. It's tough because I feel like if I had just a couple things go my way today, I would have been the clear winner. It's definitely disappointing. But my game feels good, so I feel like it was definitely a huge positive step in the right direction, and looking forward to having a good summer.
