Quick Quotes

Q. Scottie, really tough day conditions-wise on the golf course; what felt different today?

SCOTTIE SCHEFFLER: The wind was very high. It was very tough out there. It was tough to get looks, and then the greens, it started moving around late in the day. With the gusts as high as they were, it was really difficult to putt them. But I gave myself a lot of looks. I just didn't have it today. Props to Sam; he played great. I don't know what he shot today, maybe 4-, 5-under? Whatever it was, it was a great round.

Q. Sam was waiting for you when you won at Bay Hill; does this mean anything that you two went head-to-head?

SCOTTIE SCHEFFLER: Yeah, it was a lot of fun. It didn't really feel like it, because he posted a score earlier in the day and we were fighting against it. It would have been more fun if we had to do it for 18 holes. I kind of joked with him at the end, he ruined all the fun making a 40-footer. It was definitely good to see him win. He's obviously a great player and got a bright future ahead.
