## Harris English

### Quick Quotes

**Q. You seemed to carry the momentum from Sunday into this round a little bit.**

HARRIS ENGLISH: Yeah, I felt like coming into this round I knew it was going to be tough to maintain the focus, tough to start out focused, but feel like I did a good job.

Got off to a great start. Yeah, felt like the game was good. I didn't drive it quite as good as I wanted to, but my short game was on pointe, putting was on pointe again.

So I'm going to hit a couple balls this afternoon, couple bunker shots, and then I'll shut it down, get some rest, and come back ready to go tomorrow.

**Q. Was there something you did to kind of make sure you were focused and ready to go today?**

HARRIS ENGLISH: Yeah, I mean, you still try to stick to the same routine. I try to get here two hours before I tee off, eat some breakfast, physio trailer a little bit. It was more mental than anything, and I knew today was probably going to be the toughest day getting back into it.

I feel like I did a great job focusing on every shot and sticking to my routine.

**Q. Does it help coming to a golf course that you enjoy?**

HARRIS ENGLISH: Yeah, for sure. I've played here a lot over the years, so I feel like I know where the pins are going to be. Kind of played this course in my mind. Coming out here I know where to hit all the shots. It's just about focusing and pulling it off.
