Quick Quotes

Q. 2-under today. Good round and a good start. Your thoughts on the round today?

VICTOR PEREZ: Yeah, very happy. Obviously mixed bag with eagles and triples and a bit of everything. It's obviously nice coming off Memorial and the U.S. Open to go into a course where you feel a little bit more in control. It's still like tricky in spots and you have to pick your battles, but you feel like you can make a few birdies, which is always nice.

Q. You mentioned the mindset change coming into a week like this after a place like Pinehurst.

VICTOR PEREZ: Yeah, I think we are kind of used to it, we played so much golf, it's not like we played five or six events and it's been after a break, and you can still be a little bit -- you know, we played some events that have been easier, some have been harder, some have been in the middle. I think this one kind of qualifies sort of in the middle. It's still a Signature Event with great fields, but, yeah, I was just trying to make some putts really, which I think it's going to come down to on this golf course.
