## Michael Thorbjornsen

### Quick Quotes

**Q. Can you just assess the week as a whole so far for you?**

MICHAEL THORBJORNSEN: It's been great. Professional golfer now, playing a golf course that I love of, love the people here, crowd's great, got a lot of friends and family here, couldn't have asked for a better start to professional career.

**Q. What are you hoping for out of your first professional final round tomorrow?**

MICHAEL THORBJORNSEN: Just some good golf, more of what I've been doing these past couple days. Just try and really get everything to come together on the final day, but if it doesn't, oh well, there's always next week.

**Q. Have you felt a lot of pressure this week or are you mostly just having fun?**

MICHAEL THORBJORNSEN: I'm just having fun. I did feel a little something on the first tee box of the first round, but after that everything's felt really good.

**Q. How has the support been out here this week for you?**

MICHAEL THORBJORNSEN: It's been great. Yeah, I got a bunch of people cheering me on. Makes me feel good, it makes me feel good about myself, I want to play better. I think it makes me play better as well. Playing with Ludvig the first couple days was really special. He's supported me, he's pushed me along the way as well. Yeah, everything's been really good this week.
