Quick Quotes

Q. 9-under on the day. Can you talk about your round and what went right today?

SEPP STRAKA: Yeah, the putter showed up. I putted really nice today. Felt like I hit the ball pretty decent all week but ball striking was definitely a little sharper today and there was a lot of birdie out there if you play well.

Q. Was the golf course any different today after the wet conditions?

SEPP STRAKA: Definitely a little softer, probably played a little bit easier, but the wind was up a little bit today compared to the last three days. So, yeah, I would say it probably played similar to the last three days, but just a little different with the softer conditions.

Q. What's coming up next for you, obviously a big stretch of golf behind you now, what's coming up next?

SEPP STRAKA: Yeah, it's been a lot of golf, off week next week and then trying to defend at John Deere. Then go on to Scotland for the Scottish and British.
