## Keegan Bradley

### Quick Quotes

#### Q. (No Microphone.)

KEEGAN BRADLEY: It was insane, the crowd and the atmosphere and the scene there, and I just did a great job of, like staying present, because that could have got me out of my routine, out of what I was doing, but I did a good job of staying in my little zone.

#### Q. How fortunate was it with how things unfolded with the 18th hole that you had a look before your putt?

KEEGAN BRADLEY: It was insane. I can't believe that. I saw his ball go there. I felt like -- I wanted make him to make it, but it just gave me a read, for sure.

#### Q. You won the Travelers Championship a couple years ago. You talked about how meaningful that was. To be able to run it back that close to your last victory here, what's it like to now be a two-time champ in this one?

KEEGAN BRADLEY: Really, really crazy. I felt like I was just too far behind the whole day. I was just chasing, chasing. And then after that bogey on 15, I just -- you know, thought I don't know, anything can happen around here. But I just had that feeling that I was just too far behind the whole day, but I came in here and made the putts when I needed to.

#### Q. What did Keegan Bradley the player show Keegan Bradley the captain?

KEEGAN BRADLEY: Well, I'm proud of the way I've been handle these situations over the past, say, five years, so I don't know. We'll see.

#### Q. It's been pretty incredible how things have unfolded since you were announced and now less than 12 months later where you're playing yourself to be in very serious consideration.

KEEGAN BRADLEY: Yeah, it's insane. (Laughing.) My whole life every year I was out here I wanted to play on the

Ryder Cup team, and then this would be the first year where maybe I didn't want to. I just wanted to be the captain and, of course, you know, this is what happens. But we'll see. I'm going to do whatever I think is best for the team. Whether that's me on the team -- this certainly changes a lot of things. I was never going to play on the team unless I had won a tournament and so that's changed, but we'll see.
