## C.T. Pan

### Quick Quotes

#### **Q. What was working so well for you today?**

C.T. PAN: Definitely iron game. Hit a lot of good iron shots out there with today's condition. Pretty soft and no wind, so you can go right at a pin.

Plus a lot of good numbers out there, so just hit a lot of good iron shots, gave myself a lot of birdie opportunities within ten feet I want to say.

#### **Q. So many guys in the afternoon wave yesterday said the course how tough the course was playing. How much friendlier was it this morning?**

C.T. PAN: It's definitely much easier. Yesterday wind was howling, I don't know, 12 to 15 miles at times.

Today very quiet and softer greens. Even after the rain delay the greens were even softer.

So it's going to be a lot of low scores this afternoon.

#### **Q. With that in mind, are you pleased with what you did to set yourself up for the weekend knowing that some guys will be low and maybe put the score a little bit higher?**

C.T. PAN: I mean, I played the best I could. Yesterday my third hole I shanked my chip. It was tough. Made a double bogey there.

I was 2-over through 3 and I wouldn't think I could shot 9-under or 11-under on the last 33 holes, so I'm pretty happy with where I am at.

#### **Q. You played that third hole a lot better today.**

C.T. PAN: Oh, yeah. Par is good score there.
