Quick Quotes

Q. Matt, nice start. If we can just get some comments on your round.

MATT KUCHAR: Yeah, thank you. Great to be back here at Muirfield Village, one of my favorite places. Course is in incredible condition, fun to play. I got off to kind of a slow start, was 2-over through about four holes and then nice to be able to bring it back and play well on the incoming nine and get it to 3-under. I feel awfully pleased, particularly starting 2-over after 4.

Q. With your experience here, you've seen all of the crowds. Talk about how different it was out here today at Muirfield without the fans.

MATT KUCHAR: Still always strange to hit good shots, to make birdies and then kind of expect some sort of applause response, and to get nothing is still a strange thing. But yeah, I think we've all come to just love this golf course. It's so familiar, getting out here and around the golf course. It's still to be out. We do miss the fans, and hopefully we get fans back soon. It's just great to be playing golf and great to be playing golf at Muirfield Village.
