### Quick Quotes

**Q. Could you just summarize your round today? Were you happy with it and why?**

HIDEKI MATSUYAMA: I was able to hit it in the fairway and have many opportunities, so I was very happy with my round today.

**Q. How do you feel about the current state of your game right now since the restart?**

HIDEKI MATSUYAMA: I think my ball-striking is getting there. Now it's just the putting that I need to work on, so hopefully that'll get better.

**Q. You've won here in front of 40,000 fans. You played in front of nobody today. What do you think about playing in front of no spectators?**

HIDEKI MATSUYAMA: You know, I experienced the no fans at ZOZO that one round, so we experienced a little bit of that before this. But no, I'm hoping that the fans can come back and I can play well for them when they show up.

**Q. I assume you like this golf course. Why? What do you like about this course?**

HIDEKI MATSUYAMA: I don't know why I like this course so much, but I do.
