Quick Quotes

Q. Jason, just some comments on your round.

JASON DAY: Yeah, it was overall very good. A little frustrating going through 6, 7 and 8. I obviously bogeyed 7 and 8 and then missing a green with a wedge in hand on 6 was just disappointing. I think the most frustrated that I am is more my attitude has been poor and I need to work on my attitude. My attitude has been -- I don't want to have that victim mentality and think that things are going bad my way because of this. I need to just get on with it and go play golf. Overall I'm very pleased with 69.

Q. Talk a little bit about not having fans out here today and how the course played today.

JASON DAY: The course is playing nice. It was gettable if you hit it good. Overall the course is in great shape. I think they're doing a tremendous job at this event.
