Quick Quotes

Q. Summarize your round today, how it went today.

HIDEKI MATSUYAMA: We had some delays, and towards the end it got pretty windy, so it turned out to be a tough day.

Q. When you started your round, you were eight shots back, and then the 75-minute delay happened. What were you thinking during that time?

HIDEKI MATSUYAMA: I really don't pay too much attention to that. I just go out and do my thing and hopefully shoot low for me and then see where I'm at at the end of the day.

Q. What were you most happy with today and what were you most disappointed with?

HIDEKI MATSUYAMA: I was happy that we were able to finish today. That was definitely a good thing that we were able to finish. The bad thing, everything other than my score, I can say it wasn't too good. All in all, it was good, though.

Q. How are you liking this golf course playing the way it's playing now as opposed to when it usually plays so fast, firm and the greens are so much faster?

HIDEKI MATSUYAMA: Tuesday and Wednesday it was playing pretty fast, and so I -- but it just feels normal to me. I go out there and get adjusted, and we'll see if they make it any faster this weekend, but all in all, so far I feel comfortable.
