Quick Quotes

Q. 66, nice round. If we can get some comments.

GARY WOODLAND: Yeah, it was nice. I got the putter going early. Made a lot of putts early. Fought the golf swing a little bit, but kind of got that figured out on the back nine, hit some great shots on the back nine, gave myself a lot of chances. When you get the putts going in early, it kind of sets the tone for the day.

Q. Talk about the conditions out there today compared to earlier in the week.

GARY WOODLAND: Tough. It's tough. The wind picked up. Kind of what we saw late last night when we came back out, so a little familiar with it. But it's tough. The golf course is starting to firm up a little bit. It's definitely a good test.

Q. Probably a little too far back, but just comments on heading into the final round, your goals for tomorrow and then also for next week?

GARY WOODLAND: Yeah, just go ahead and play aggressive, obviously keep that putter going, just getting a lot of confidence, just keep building, see how low we can go and see how it adds up.
