the Memorial  Tournament

PRESENTED BY

Q. How different did the course play?

JUSTIN THOMAS: It's not even remotely close to the same. I mean, you've still got to hit the shots, and I don't want to say it was a disadvantage, but it was a totally, totally different golf course. The course is in fantastic shape right now. It's very tough.

Q. I don't know if you've had a chance to look at the scores other than the ones in your group, but are you surprised to see them much higher?

JUSTIN THOMAS: No. I mean, I haven't looked it up, but I would assume that they're very high. Obviously I had a pretty tough time with it. It's tough.
