Q. Sixth start here, but first since 2019, obviously changes to the course, what are the big differences that stick out, and what are you liking about it?

JHONATTAN VEGAS: [Spanish]

Q. The Kentucky Derby was won by a jockey from Venezuela.

JHONATTAN VEGAS: Sony.

Q. Have you ever talked to him?

JHONATTAN VEGAS: No, I didn't. It was funny. Actually, we were in D.C. And I finished my Saturday round and I'm sitting around waiting for the Kentucky Derby. I see it's a Venezuelan jockey. There's usually one or two. There's a Venezuela jockey let's bet \$500 on it, right? It's Venezuelan. I thought my friend would have a way to bet online, but he didn't. Just purely -- we didn't know the odds were that big when the guy won. It was a funny story. Incredible. But from going from that and having a chance to win, cool.

Q. Too bad you didn't bet.

JHONATTAN VEGAS: It would have been good (laughter).
