Q. Jhonny, still right there in the mix of it, 1-under 71 today. Just a few comments about how you felt.

JHONATTAN VEGAS: Obviously it was a harder 71 than usual. Obviously the course is playing a lot harder. Didn't quite hit it as well as I did the first couple of days. But kind of fought really hard to make a bunch of up-and-downs, especially at the end, to shoot 1-under.

Obviously looks like Billy played phenomenal, so I'm going to have to do a lot tomorrow.

Q. Did you see a 65 out there?

JHONATTAN VEGAS: Early on. Early on, as the last -- I would say six, seven holes, greens were getting firmer and firmer. But like I said, when we started, you could get it closer to the holes.

Obviously the greens are absolutely perfect that if you get them anywhere close to these holes that you can make a lot of putts.

Q. Who's your favorite Major League Baseball team?

JHONATTAN VEGAS: Houston, baby.
