Quick Quotes

Q. Awesome finish. How do you feel about the finish and the day as a whole?

KEEGAN BRADLEY: Great. I don't know, Ben Griffin's playing really well, but I feel like I got myself back in the tournament. I can't control what he does. But proud of the way I played today.

Q. The strokes gained putting, you're second today. Yesterday, you were negative. Is there anything you switched in your putting overnight?

KEEGAN BRADLEY: No, nothing, just yesterday was a really tough day in the rain. I didn't play all that bad, to be honest. I didn't feel like it was that bad of a score, it wasn't great. But proud of the way I played today, hung in there. It was tough again -- always tough out here.

Q. What's one or two parts of the game that are most important to be dialed in here?

KEEGAN BRADLEY: You have to drive the ball really well. You can't miss fairways here. The rough's too deep. I've been chipping the ball really nice, chipped the ball really nice today, so when I did miss a green, I kind of chipped it up there to inside 4 feet, made all those.

Q. How would you compare the test here and what you have to do well here versus a U.S. Open?

KEEGAN BRADLEY: It's very similar. It's a similar style course, just a couple more par-5s, so the scores look a little lower, but they're actually -- I don't think that they are. If you added up the total score, it's probably pretty similar to U.S. Open.

Q. Did you got any mud balls today?

KEEGAN BRADLEY: Yeah.

Q. How many do you think you got?

PRESENTED BY

KEEGAN BRADLEY: I mean, we get a lot of mud balls. I can't think -- pretty much if you hit the fairway, you had some sort of mud ball. Some were worse than others. But, yeah, a good amount.

Q. Were you surprised they didn't play it up?

KEEGAN BRADLEY: I mean, if we don't play the ball up yesterday, I don't know when we play the ball up. It was pouring rain. We had mud balls the day before. If we don't play the ball up on a day like yesterday, I don't know where you would ever play it up. I thought they'd play it down today if we didn't play it up yesterday.
