## Todd Clements

### Quick Quotes

**Q. Todd, really good round today of 16 points; 39 for the week. Talk about your round. What was working best for you today?**

TODD CLEMENTS: Yeah, obviously just started working with Gary, new caddie the last few weeks, and it's been going nicely.

Yeah, just felt like I've been playing really nice all week. Just didn't take my opportunities and a few slip-ups here and there. Just everything come together today. Hit a lot of good numbers and hit a lot of good putts. Yeah, nice round of golf finish.

**Q. Was there anything in particular that you worked on yesterday coming into today to kind of make things click?**

TODD CLEMENTS: Yeah, worked on my putting couple days ago and found something on the greens. Just a little tip. Didn't putt too great on Friday and just worked on a few basics and noticed I was standing kind of a bit too far away.

One of my old common traits, and felt like I sorted that out and rolled it nicely.

**Q. How are the conditions out there today compared to the last couple days?**

TODD CLEMENTS: Yeah, tricky. It's got windy this afternoon. Played great on the back nine. Yeah, just delighted with my golf today.

**Q. Then this week, obviously important for a lot of guys, DP and PGA TOUR. Talk about the importance of this event and ISCO.**

TODD CLEMENTS: Yeah, obviously last week was at Scottish Open, but coming here I think it's a great opportunity for everyone. Absolutely delighted to have the opportunity the last couple years. I love coming here. I feel like it's a golf retreat. I mean, absolute paradise.

Yeah, I think everyone enjoys it and what it means for us coming over here. Yeah, it's great fun.
