Q. Abraham, 6-under par, excellent start. If we can get some comments on your round.

ABRAHAM ANCER: Yeah, really happy with my ball-striking and off the tee, as well. Hit the ball quite nicely, made some good putts, and I leave with a good feeling knowing that I left some birdies out there and still with a really good solid round. It's a really long and soft golf course right now, so I've just got to keep striking it the way that I am so I can give myself as many birdie looks as possible and just keep that putter rolling.

Q. How were the conditions out there today? I know it was hot.

ABRAHAM ANCER: Yeah, it was definitely very gettable. I think the guys that just feel really good with the driver and just can bomb it will have definitely a nice advantage here. You can go right at the pins. The greens are soft enough that you can.

Par-3s are good. They're long, but like I said, the greens are very receptive and you can be really aggressive. There's not a lot of wind. There was a little bit -- the first eight, nine holes there was really not much and then it started blowing a little bit, but nothing too bad. It's definitely gettable.
