Q. Good day today, just good position headed into the weekend. Just comments on what you feel like you're doing right and what's going well?

SEBASTIÁN MUÑOZ: I feel like today I improved a lot off the tee. I felt lining I hit a lot more fairways, gave myself plenty of looks, and then my iron game is pretty strong this week. Started on the front with a hot putter and kind of on the back it kind of cooled off, but felt really good. Felt really positive towards the weekend.

Q. How have you been feeling about your game coming into the week? Does it feel like the parts are starting to come together?

SEBASTIÁN MUÑOZ: Yeah, I feel like for the last month, month and a half things have been clicking. Been playing a lot better. My swing has felt more solid, more compact, so really happy with that.

Q. Where you are in the FedExCup, is that something that you track?

SEBASTIÁN MUÑOZ: I mean, I did see when I was like tied second four ways I was predicted 27, but just 36 holes, still a lot of golf left, so I feel like it's pointless to look at it right now. Just try to have a chance to win the tournament and we'll see what happens.

Q. (On who he looked up to in golf).

SEBASTIÁN MUÑOZ: Tiger definitely, then Camilo for sure. That was it. Then when I was in college, my teammate Carlos who got to the PGA TOUR pretty quick was also like someone I looked up to when I started.
