Quick Quotes

Q. How would you sum up the week?

JUSTIN THOMAS: Kind of summed up, I feel like the last couple months, I feel like it wasn't a consistent enough week. I had a lot of signs of really, really good, just a little bit of stretches of just not sharp enough.

But I played really solid today, especially the back nine, which was great. It's nice to finish the day, tournament, season off playing some really quality golf and hitting some great golf shots in the last nine. It was a good year.

Q. A couple years ago you weren't here and you had to sweat the phone call from the captain. How would you compare the feelings now to the feelings then as you're awaiting that phone call?

JUSTIN THOMAS: I don't think there's adjectives to compare the two. I was in -- I had three weeks to sweat it out really. I knew I needed a lot of luck. I needed a lot more than I do right now, I would say. I feel a lot better about my chances, I would hope.

It feels like forever ago, and I'm glad it does.

Q. How does it feel now?

JUSTIN THOMAS: Feel now?

Q. How would you compare the emotions of awaiting the call now?

JUSTIN THOMAS: It's just different. Obviously finishing, I think it was, seventh or eighth or something like that in points and feeling like I've done well in team events in the past, but obviously anything can happen, but I feel pretty good about it.

Obviously it's all in the hands of Captain and the other guys on the team, but yeah.
