Quick Quotes

Q. How would you sum up the week?

CAM YOUNG: All in all, really solid. I feel like I left so much out there the last two days. It's a bit frustrating if I'm going to come up four or five short probably. I just feel like that was there for the taking this week, and I just didn't get the ball in the hole as well as I have been.

Q. Obviously we talked a lot this week about the Ryder Cup and obviously your affinity and how well you play Bethpage. What are the next couple days going to be like for you emotionally awaiting that call?

CAM YOUNG: Yeah, obviously I have no idea when I will get that call, and I have no idea what it will say. I mean, mainly, like you said, just waiting around for that.

I'm very excited to get home. I haven't really been home more than a week since April probably. I'm just looking forward to getting home to Florida.

Either way, obviously I really, really want to make that team. If that call goes the wrong way in my opinion, it's going to be a bit of a hard one to take. I feel like I've done everything you could ask of me to make that team over the last four weeks, and then if you look back further, really half a season.
