### Quick Quotes

**Q. I know there's ups and downs every single day with this, but overall as you look at the TOUR Championship and just the way you battled all season, how proud are you?**

KEEGAN BRADLEY: Yeah, I would say for me, this is the proudest season I've ever had. My rookie season I won twice with a major. That's up there. But this was my favorite of all of them.

I was just dead tired today. I've never felt like that on the golf course before. I was just exhausted.

I'm happy with the way I grinded it out and finished.

**Q. You did such a great job of controlling all the noise in the ropes, and you were a little surprised how good you were all year doing that. Do you think it's simply all the golf you've been playing the last few weeks and getting over an illness?**

KEEGAN BRADLEY: Yeah, I think when we get inside the ropes, this is what we were born to do. When you can separate the noise when you're inside the ropes, that's when you play your best. I was able to do a great job of that the entire year. I didn't do a good job of it the last few weeks. This week I was better. I'm really proud of that.

I went through something this year that no one has really ever gone through. I'm proud of the way that we did. But I'm really glad it's done.

**Q. If you were to pick yourself, is that a good sign that obviously you'd have to put that stuff aside when you play?**

KEEGAN BRADLEY: Yeah, that's going to be tougher. I've gone through a lot of stuff this year, I didn't know how I was going to handle it. Proud of the way I did. This is a whole 'nother animal. I have no clue. This is going to be really difficult.

When I get done here, we're going to talk to my vice

captains. We sort of put everything on hold the last couple days. I think they were trying to leave me alone. But we'll get in touch with them and get our final decisions together. Saw a lot of Americans play great today, which makes me happy.

**Q. How do you do that, is there a Zoom call, text, speaker?**

KEEGAN BRADLEY: I think we're going to do a little bit of everything. I'm sure they've been talking behind my back as I'm out there. I know they have a separate chat without me. I'm sure they have some of their opinions that they want to tell me what they think.

Again, we didn't talk at all last night. We talked but not about this. I think they were trying to leave me alone, like I said. Hopefully I'll get done here, pack up, and we'll start chatting.

**Q. Do you have clarity for Wednesday?**

KEEGAN BRADLEY: No, because I think no matter what decision that I make here, I could have gone the other way easily, no matter what. The only thing I care about is on Sunday of the Ryder Cup, that we win the Ryder Cup. Then I'll know I made the right decision.

Until then, I won't know. It's going to be pretty wild. Whatever decision we make, we're going to have to live with it. I love the guys on our team. They're all playing great. It's just really something else. It's awesome.

**Q. Has a decision been made on the order of the format yet, and if it has, has it not been announced?**

KEEGAN BRADLEY: I don't think it's been announced yet. I'm going to let the PGA do that.

**Q. But it has been decided?**

KEEGAN BRADLEY: Yeah. Yeah.
