Quick Quotes

Q. I know there's some disappointment in not winning, but the overall play this week, how would you assess it?

PATRICK CANTLAY: Yeah, I played solid overall. Can take a lot of good things from this week going forward.

Q. How would you assess your play in general in 2025?

PATRICK CANTLAY: Yeah, I feel like it's moving in the right direction. I'm very happy with a lot of the work that I've been doing, and I'll take that into the fall and keep working on it really hard, and should be ready to go starting next year.

Q. Specifically what got better as the year continued for you?

PATRICK CANTLAY: Yeah, I thought some positions in my swing got better. It started coming together more consistently. So it was good to see.

Q. Can you give us a sense of how this feels to compete for a TOUR Championship? You've been on the other side of it; you've won it. What is it like to go through it again?

PATRICK CANTLAY: Yeah, it's always good to have a chance on Sunday and to be right there. I've been there plenty of times, and any time you get in that spot, it's a real pleasure.
